National Reconciliation Week is a time for all Australians to learn about our shared histories, cultures, and achievements, and to explore how each of us can contribute to achieving reconciliation in Australia. The dates for National Reconciliation Week remain the same each year; 27 May to 3 June. These dates commemorate two significant milestones in the reconciliation journey—the successful 1967 referendum, and the High Court Mabo decision respectively. The theme for this year's National Reconciliation Week is "Grounded in Truth—Walk Together With Courage". At the heart of reconciliation is the relationship between the broader Australian

community and Aboriginal and Torres Strait Islander peoples which must be grounded in a foundation of truth. All classes participated in teaching and learning activities to deepen their understanding of Aboriginal and Torres Strait Islander culture and achievements and explore how each of us can contribute to achieving reconciliation. Amiah and Zac's mum, Belinda, came in to work with preschool. Their activities are recorded on the next page. At assembly on Friday Year 5 Wiradjuri read some of the very moving poems they wrote during the week to explore the reconciliation journey.

# CELEBRATING NATIONAL RECONCILIATION WEEK IN PRESCHOOL ARABANA

# Green Team Update

We have a very enthusiastic Green Team with lots of great ideas for our community. This year the students have divided themselves into 3 subcommittees who are working towards our school goal of reducing waste and working more sustainably at Rozelle PS.

We now have:

- Nude Food/Waste Warriors
- Energy Warriors
- Garden Warriors

Each team has a starting plan with different areas of focus.

**Nude Food/Waste Warriors** are currently working on posters and ideas to remind the community about bringing “Nude Food” lunches to school. We are going to have another school wide challenge and all the Green Team members will be collecting data each day during a 2 week period. The class who has the least amount of waste will be awarded the “Tree Trophy”. We will be looking at lunch waste and classroom red bin waste. The winning class will be the caretakers of the “Tree Trophy” in their classroom for the 2 week duration until the next class is awarded for their waste reduction efforts.

**Energy Warriors** As part of the Green Team member role, students are energy warriors who are monitoring power usage in the classrooms. Students are helping to remind teachers to have lights off when the rooms are not in use, switching off devices and using power saving settings.

As a long term goal, the senior students on the Green Team will be working with a teacher to complete a Power Audit in Term 3 (with a Water Audit on the cards for the future)

**Garden Warriors** This group is passionate about revamping and caring for the gardens behind the current Year 4 classrooms. Kindergarten (with Year 5 buddies) and Mini OSCH Club have already weeded and planted some veggies and are looking into composting and worm farm options that can be maintained hygienically at school.

If you would like to assist in any way please contact Ms Campisi or Ms Devitt.

## CREATIVE ARTS SUCCESS FOR ROZELLE STUDENTS

Congratulations to Year 4 students Isabelle Foster and Chloe Engels who were successful in obtaining a position in the 2019 Year 4 Dance Workshop with the NSW Department of Education Arts Unit which they participated in on 24 May. The girls participated with students from across Sydney in classes in Contemporary and Lyrical dance and Acting and learnt a Musical Theatre piece focused on "Trip A Little Light Fantastic" From Disney's "Mary Poppins Returns" movie.

Congratulations also to Year 6 student Marli Williams who has successfully auditioned to be part of the NSW Public Schools Year 6 Drama Ensemble. Marli rehearses weekly with students from across Sydney and will perform at the State Drama Festival in October.

## ZONE CROSS COUNTRY CARNIVAL

On Wednesday the 22nd of May, 47 students headed to Jubilee Park with Mr Kwok and Ms Rolland to compete at the Zone Cross Country Carnival. Against over 20 schools from the Balmain zone and almost 100 other students in each race, the Rozelle athletes performed amazingly well and achieved fantastic results and personal bests. Each student should be proud of their effort and school spirit they showed during the unseasonably warm day. Congratulations and all the best to Mila Gazzard (2nd), Sam Batten (2nd), Siena Jury (5th), Rhys Olsen-Keating (1st) and Macy Tanner-Black (1st) for qualifying for the Sydney East Area Championship to be held on June 14 at Miranda Park.

## HARMONY DAY POSTER AND SONG WRITING COMPETITION WINNERS

Congratulations to our winners of the Harmony Day poster and song writing competition. Their fantastic work has now been sent on to the main competition offices to be included in the running with the rest of the state for prizes. They are Meg Thueson, Clara Dowling, Jake Hill, George Evans, Reggie Kerford, Oliver Kennedy, Ashton Brown, Harrison Bristow, Orlando Swanson, Scarlett Simoneau, Millie Watson, Jack Palfreyman, Dylan Hibberd, Giselle Day, Jonah Graham, Dylan Sarabaca, Wyatt Wood, Katrina Railston and Ava Palfreyman. Good luck! Certificates will be presented at an assembly in the future, once the certificates are sent to us from the competition administration.

## THANK YOU ROZELLE P & C

A very big thank you to the P & C and most particularly the Main Event organising committee for putting on a fantastic night on Saturday 25 May. The parents made a huge contribution of time, enthusiasm and expertise to bring it all off. Their efforts are greatly appreciated by the rest of our school community. Thank you also to all those parents who attended and participated in all the fundraising activities on offer. Also a very big thank you to the local businesses who supported the school so generously. We are indeed fortunate to have such a vibrant and connected school community. More detailed thank yous are provided in the P & C section on page 6.

## PRESCHOOL ENROLMENTS for 2020

Applications for enrolment into the preschool program have now opened. All the necessary information and application forms are available on the school website at <https://rozelle-p.schools.nsw.gov.au/> or from the school office. Children are eligible for enrolment in preschool classes from the beginning of the school year if they turn four years of age before July 31 of that year. Applications close at 3:00pm on Friday 28 June 2019.

There is no priority for the order in which enrolments are received by the office. The Preschool Placement panel, consisting of the Principal, the President of the P & C and one of our preschool teachers, considers all applications in accordance with the priorities of the Department of Education and Communities' Preschool Enrolment Policy and the Rozelle Public School Preschool Enrolment and Fee Policy.

## WINTER SPORT ARRANGEMENTS FOR YEARS 5 AND 6

This Friday selected students will participate in the first interschool competition in soccer, touch football and netball. The competition runs until the end of Term 3. Students will travel by bus to Glover St Oval Lilyfield and Richard Murden Reserve in Haberfield accompanied by Ms Bryant, Ms McLaughline and Ms Dunn. If your child is participating, or has been selected as a reserve, they will have brought information home already. Please ensure you have returned the permission note and payment. Those students not participating in PSSA sport will be taking part in a specialised Physical Education program provided by GOT Game. Please ensure you have returned the permission note and payment. As always, please contact me if you require assistance with payment as all students will be participating in these programs.

## NEW SCHOOL BYTES PAYMENT SYSTEM

Thank you parents for working with the office staff to implement this new payment system. Make sure you contact us to provide any feedback to ensure a smooth transition. I will put the instructions up on the school website under the Community tab for future reference.

## 2019 FUNDRAISER UPDATE, GOOD SPORTS, BAD SPORTS NIGHT

25<sup>TH</sup> MAY 2019 – 7:00pm Rozelle Public School Hall

WOW Rozelle! What a great turn out on Saturday night for our Good Sports, Bad Sports fundraiser. We have had some great feedback from everyone that turned up and have set the bar pretty high for next year's event.

The parents and sponsors really went to town with their outfits on the night with some very clever takes on sporting hero's and villains. Some smooth moves went down on the dance floor and some not so smooth moves went down on the outdoor sporting event field and everyone had a blast.

Did you take any funny photo's on the evening? Post them up on Instagram and tag #rozelleme to share the fun.

## OUR ONLINE AUCTION IS LIVE UNTIL THE 10<sup>TH</sup> JUNE 2019

I had a quick look at the offerings on our online auction site this morning and there are a few bargains to be had that haven't had any bids yet. An Active Kids Pack, Vouchers for Rozelle Markets Stalls (for only \$10.00!!!), kids singing classes and an angle grinder caught my eye.

There is some pretty competitive bidding still going on for some of the offers, make sure you don't miss out.

Please share bid site <https://www.32auctions.com/2019RozelleSports> with friends and family so they also have the opportunity to win some of our fantastic value packed prizes.

## A BIG THANK YOU

Thanks to all the parents and sponsors that purchased event tickets, bid on the silent auction, bought raffle tickets and have been bidding on our online auction. The final count is not in on how much we have raised yet but the target is in sight.

To our major sponsors The Sackville Hotel and Soothing Dental Care, we love you.

Pretty much every other small business along Darling Street and in the immediate area has pitched in to help out with this years event. Please show your support and shop locally and help them out with a purchase to say thank you for their ongoing support of Rozelle Public School. You really are good sports.

## Future first aid heroes

We're super proud of our students and others from schools on the peninsula who participated in a live weather cross this morning as part of the Sunrise show.

They were great ambassadors for our community.

They got to share their stories with the crew and practice basic first aid with volunteers from St John Ambulance Australia (NSW).

Thanks to the mums and dads who got up a little earlier than usual to make this happen; what a great experience!

For any questions about this initiative, please contact Nicky Bekker (P&C Committee Member) at
